Tantalizing Fragrance

How we love candles on a winter afternoon! Nothing gives more warmth and sweetness to a home than a nice hand-poured soy wax candle. **Scents on Fire Candles** in Karachi is our favorite candle store where everything is so delicious you just can't pick one. (Psst. Any Karachiite will tell you the French Beach candle is nostalgia in a box)

It's Always Spring

Gulbaan is one of the best online florist in Lahore, bringing fresh flowers straight from their farms to our doorstep! They have recently introduced The Gulbaan Farmer's Box, a first of its kind in Pakistan - a monthly subscription service of the season's finest flowers delivered to your home or office.

How exciting!
